The screenshot displays the Wiley Digital Archives search interface. At the top, there are navigation links for 'ENGLISH', 'ABOUT', 'OTHER ARCHIVES', and 'TOOLS'. Below this is a search bar with three tabs: 'Basic Search', 'Advanced Search', and 'Wiley Online Library Search' (which is highlighted). The search results section shows 'Archives 5 of 5 Selected' and an 'Estimated count: 269636 Documents'. The 'Fielded Search' section includes three input fields for text, each with a dropdown for 'Entire Document' and a dropdown for 'AND'. The 'Quick Limiters' section includes dropdowns for 'Content Types', 'Date', 'Collections', 'Illustration Types', 'Content Subtypes', 'Languages', and 'Content Sources'. A 'RESET' button and a search icon are also visible.

The screenshot shows the Wiley Digital Archives search results page for the query 'Plague'. The interface includes a search bar at the top with the query 'plague' and a search button. Below the search bar, there are filters for 'Content Type' (Manuscripts: 1154, Monographs: 1459, Photographs: 85, Maps: 126) and 'Sort By' (Relevance). The left sidebar contains navigation options for 'Archives' (listing institutions like The Royal College of Physicians), 'Analysis Hub' (Term Frequency, Term Popularity, etc.), 'Content Subtypes' (Printed Books, Correspondence, etc.), and 'Collections' (RCP Library, College Collection, etc.). The main search results area displays 2024 documents found. The first result is 'Choose Benin Plague' from the William Buller Fagg Collection. The second is 'Memorandum on Plague [in India]' from the Royal College of Physicians of London. The third is 'Report of the Committee on Plague in India.' from the Royal College of Physicians of London. The fourth is 'Report from the Standing Committee on Plague' from the Royal College of Physicians of London. Each result includes a thumbnail image, a title, a source, and a 'Browse this collection' link.

The screenshot displays the Wiley Digital Archives interface. At the top, the logo 'Wiley Digital Archives' is on the left, and navigation links for 'ENGLISH', 'ABOUT', 'OTHER ARCHIVES', and 'TOOLS' are on the right. Below the header, the document title 'Choose Benin Plaque' is shown, along with 'William Buller Fagg Collection, Box 10, n.d.' and 'Source: The Royal Anthropological Institute of Great Britain and Ireland'. A 'Back to Search Results' link and social sharing icons are also present. The main content area features a 'Result View' panel on the left with 'Image' and 'Text' tabs, and a grid of five image thumbnails numbered 1 to 5. The central viewer shows a large image of a document with the handwritten text 'Choose Benin plaque'. A floating toolbar on the right side of the viewer contains various icons for zooming, panning, and other document navigation functions.

Collocation of terms refers to the instances in which words appear in pairs or single phrases in a document or selection of documents within the Wiley Digital Archives. Common articles, such as "the" are not included. The Collocations tool uses the initial search term as the first part of any pairing discovered and includes only collocations that occur more than 4 times within an archive - thus exhibiting a pattern.

The screenshot displays the 'Visualization and Exploration' interface. On the left, a sidebar contains three main sections: 'Analysis Hub' (with a line graph icon), 'Explorer' (with a magnifying glass icon), and 'Place' (with a location pin icon). Below these are 'Photos' and 'Maps' sub-sections. The main area is titled 'Maps Explorer' and features a search bar with the text 'Search Maps' and a 'Limit' button. Below the search bar, a green banner reads 'Click on the to locate a document on the map'. A list of search results is shown on the left, with the top entry stating '6361 Map(s) found - (Including inset maps)'. The first result is a thumbnail of a historical map. The main map area shows a world map with continents labeled: NORTH AMERICA, SOUTH AMERICA, AFRICA, ASIA, and OCEANIA. A blue square highlights a region in Africa. At the bottom of the map, a timeline slider is visible, ranging from 1285 to 2008.
