

Letter of Recommendation Instructions

Students currently enrolled at higher educational institutions:

1. If you have taken or are presently taking Japanese language or Japan-related classes at your home institution, please ask your instructor to write your recommendation letter.
2. If you have not or are not presently taking any Japanese language or Japan-related courses, please ask an instructor of another course, if possible one you are currently registered in.

Students who have studied at CJS before:

1. Please ask a CJS instructor of a Japanese-language course that you have taken at the CJS to write your recommendation letter.

If you cannot contact an instructor, please contact the CJS Office.

Students who have graduated from school:

1. If you can contact the instructors of the classes you have taken, please ask him/her to write your recommendation letter.
2. If you cannot contact an instructor, please contact the CJS Office.
